Plaintiff IntusCare Inc. ("Intus" or "Plaintiff") and Defendant RTZ Associates, Inc. ("RTZ" or "Defendant"), hereby jointly submit this Stipulation seeking a continuance of the January 12, 2026 trial date and a corresponding extension of the pretrial schedule.

Counsel for both sides have met and conferred and agreed to extend the current deadlines by approximately six months. The parties believe this extension will promote efficiency because it will:

- Accommodate witness schedules for multiple depositions, including depositions requiring cross-country travel;
- 2. Provide additional time for the parties to resolve outstanding discovery issues, thereby reducing the need for judicial intervention; and
- 3. Allow counsel additional time to complete written discovery; and
- 4. Allow the parties additional time to exchange expert discovery and engage in expert depositions.

The parties have jointly requested two prior extensions of discovery deadlines. This Stipulation, however, is their first request to continue the trial date. Accordingly, the parties respectfully request that the Court extend the discovery deadlines as set forth below.

Event	Current Deadline	Proposed New Deadline
Fact Discovery Cut-off	October 31, 2025	March 9, 2026
Expert Disclosures	September 15, 2025	March 23, 2026
Expert Rebuttal	October 6, 2025	April 13, 2026
Expert Discovery Cut-off	October 31, 2025	May 4, 2026
Dispositive Motion Hearing	October 9, 2025	March 19, 2026
